Our signature private dining rooms, the Kazes, are located in the mezzanine level of the restaurant. We offer versatile configurations for meetings of various sizes.

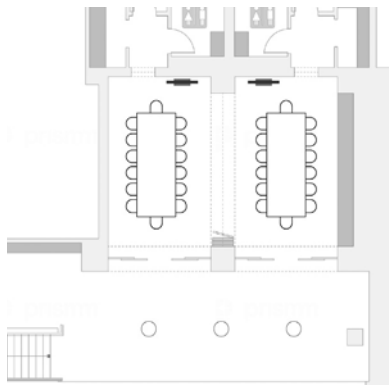

The space can be divided into two 315 sq. ft. rooms using an air wall, or opened into a single 630 sq. ft. meeting space. Each room is equipped with a dedicated restroom, custom lighting and one television, or two monitors when combined.

A 680 sq. ft. pre-function area is available just outside the room for food and beverage displays and/or guest registration.

Please note: The Kazes feature perforated entry doors that are not soundproof and may carry residual noise from the Main Dining Room which is open daily for breakfast, lunch, and dinner.
